

We're still here! That is exciting in itself. All of us are looking forward to a time when we can safely gather and resume chapter meetings. We have news on the bead production to share with you. Our jeweler is open and working to fulfill orders.

**For 2019 Premier members:**

There are a few members who are still awaiting the bead. The good news is that they are being made again, but we do not have an arrival date. If you choose to not wait for your bead, refunds for the bead part of the membership are available. Please contact the Society office at [society@pbuckleymoss.com](mailto:society@pbuckleymoss.com) or 804-725-7378.

**For 2019 Choice members:**

There are a few unfulfilled bead memberships. These beads are being made, but we do not have an arrival date. If you choose to not wait for your bead, a refund may be requested. However, to maintain your membership in the Moss Society, your membership will need to be changed to the Classic level and the refund would then be the difference between the two levels. For information and questions, please contact the Society office at [society@pbuckleymoss.com](mailto:society@pbuckleymoss.com), or 804-725-7378.

**For 2020 Premier and Choice members:**

Our jeweler was closed for an extended period of time, lost their designer and did not finish our bead for 2020. At this time, no bead is being offered. The Choice and Premier Membership levels have been temporarily suspended. We are in the process of refunding the difference of these memberships. For 2020, everyone will be renewed at the Classic level. We encourage you to be patient as we work through this bump in the road. Our efforts are continuing to locate and engage another jeweler that is capable of producing the high quality and beautiful beads that we have enjoyed. For information and questions, please contact the Society office at [society@pbuckleymoss.com](mailto:society@pbuckleymoss.com), or 804-725-7378.

**For 2021 Premier and Choice members:**

Looking ahead to the New Year, we will continue to renew all members at the Classic level. We are committed to resolving the bead supply issue and hope to reinstate the Premier and Choice level memberships as soon as feasible.
