

P. Buckley Moss Society Membership Rewards Program

Your P. Buckley Moss Society Membership Card is not only your proof of membership in the Society, it is also a Rewards Card that earns you points towards gift certificates for future purchases of P. Buckley Moss art at participating galleries.

Earn 1 point for each dollar spent on P. Buckley Moss products at participating Moss galleries or online at www.pbuckleymoss.com.

- For every 500 points earned, you will be mailed a \$25 rewards certificate which you may redeem at participating Moss galleries or online at www.pbuckleymoss.com.
- Rewards certificates may be redeemed for P. Buckley Moss products only. They may not be exchanged for cash.
- Each rewards certificate may be used one time only.

Frequently Asked Questions:

- Do I earn points for purchasing the Members' Only Print and Plaque?

Answer: Yes

- May I use a rewards certificate to purchase my membership print and plaque?

Answer: Yes

- My gallery does not participate in the program. How may I earn points?

Answer: Contact the Society office (contact information below) with the details of your purchase (receipt and invoice, or other proof of purchase, showing items and amount paid) and we will credit your rewards account with the purchase. When you receive your rewards certificate, you may use it *at a participating gallery* or online at www.pbuckleymoss.com. Non-participating galleries are not able to redeem rewards certificates.

- I wish to purchase an item for less than the amount of my gift certificate. May I use the balance later?

Answer: No. We are unable to carry a balance on the rewards certificate.

- The expiration date on my rewards certificate has passed. May I still use it if I ask my gallery to make an exception for me?

Answer: No. The galleries are not able to process rewards certificates after the expiration date on the certificate, nor are they able to reissue certificates.

- May I use more than one certificate for a major purchase?

Answer: Yes. There is no limit to the number of certificate you may use on a purchase, provided all the certificates are valid (within their expiration date).

- If I use a Society Rewards gift certificate to pay for a Moss product, will my Rewards account be credited with the full price of the product or for the balance I paid (the price less the value of the certificate)?

Answer: You will be credited with the full price of the product, regardless of how much was paid by you and how much covered by a Society Rewards gift certificate.

- If I purchase a rare print from a Moss gallery, will my account be credited with the price I paid for the print or the original issue price of the print?

Answer: You will be credited with the actual price you paid for the rare print alone, regardless of the original issue price. The price you pay for the framing on a rare print will not be credited to your account.
